Our Mission

With its multicultural student body, the DBST is a school that is particularly committed to German values, the European educational tradition and good relations with the host country Iran.

Our Vision

Our internationally oriented and inclusive school community educates our students on the basis of globally recognized school qualifications to become liberal, actively multilingual global citizens who are ready to learn for a lifetime, to stand up for democratic values and peace and to shape their future with self-confidence following our motto: We are the future!

Our Values

- **Quality:** We do our best to offer our students an attractive, contemporary, and stimulating learning environment so that they can develop optimally.
- **Respect:** We respect ourselves, everyone else, our community and our environment.

- **Sincerity:** We communicate politely, appropriately, and directly.

- **Renewal:** We encourage critical thinking and cultivate a culture of thirst for knowledge and creativity.
