

# Parentâ€™s council

## Description

default watermark

The ParentsÂ´CouncilÂ´s main purpose is to maintain and enhance the interests of the students and parents.

The interests of all parents at the school level are represented by the Parentsâ€™ Council, whose representatives are elected annually at the beginning of the new academic year in each class. Parents are involved in project work and other school events, as well as cultural and sports festivals, theater and musical performances, and support the schoolâ€™s maintenance.
